

## **The IRS Inquiry**

Humor is hard to find with working with taxes however this article provides some of it.

IRS suspected a fishing boat owner was not paying proper wages to his deckhand and sent an agent to investigate him.

IRS Auditor: I need a list of your employees and how much you pay them.

Boat Owner: Well, there is Clarence, my deckman. It has been with me for three years. I pay him \$1,000 a week plus room and board. Then there is the mentally challenged guy. He works 18 hours every day and does about 90% of the work around here. He makes about \$10 per week, pays his own room and board and I buy him a bottle of Baccardi rum and a dozen Budweisers every Saturday night so he can cope with life. He also gets to sleep with my wife occasionally.

IRS Auditor: That is the guy I want to talk to... the mentally challenged one

Boat Owner: That would be me. What would you like to know?  
The end....
